Buy a Brick Scheme

Please buy a brick & make it happen!

Woodhall Spa Utd Football Club has become an FA Priority for a major development at their grounds on Abbey Lane, Woodhall Spa. This means that the Football Foundation (FA) are committed to working with the club to create funding that will allow it to modernize its facilities and allow children's football to develop and continue for generations to come.

The Buy a Brick Scheme has been set up to help us raise the funds we, the club, need to raise (25k) to turn this development into reality.

It is also a chance for players, parents, friends, relatives and businesses to show their support and place their name and message in the community room that will be seen by many, for years to come. Please help us to invest in our children, now and for the future.
